

PR6a Enquiry by Design - Introduction

AGENDA

- Workshop 2: Connectivity and sustainable movement
 - Introduction to second workshop
 - Discussion
 - Feedback / summary

PR6a Enquiry by Design – Workshop 2

Workshop 2: Connectivity and sustainable movement

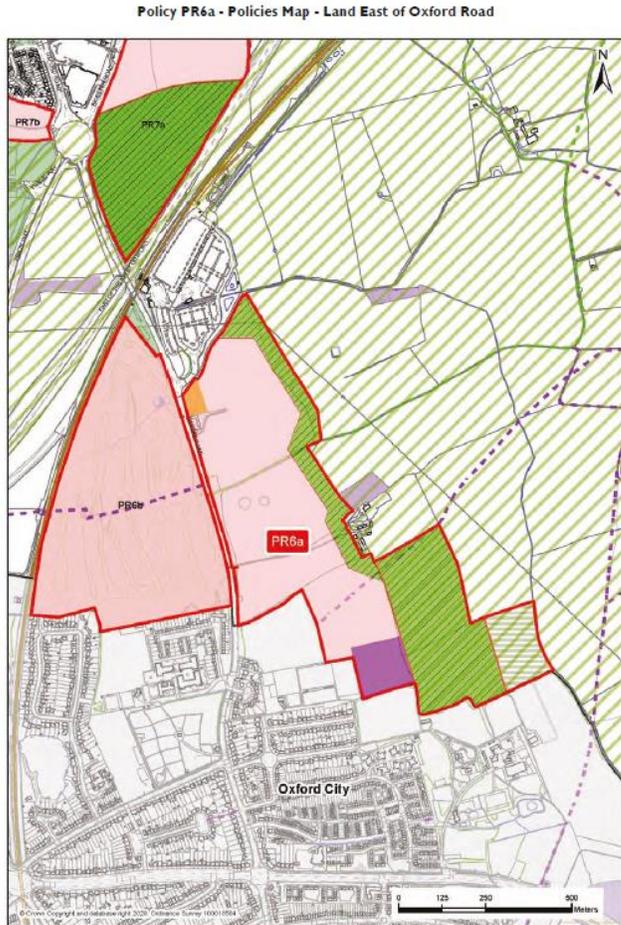

Local Plan requirements include:

- Land uses – residential, primary school, local centre, formal sport and play areas and public open space
- Vehicular access from Oxford Road
- Outline scheme for cycle, pedestrian, wheelchair, public transport connectivity:
 - within the site
 - to Oxford
 - to Cutteslowe Park
 - to site PR6b enabling connection to the 'Northern Gateway' site

PR6a Enquiry by Design – Workshop 2

Workshop 2: Connectivity and sustainable movement

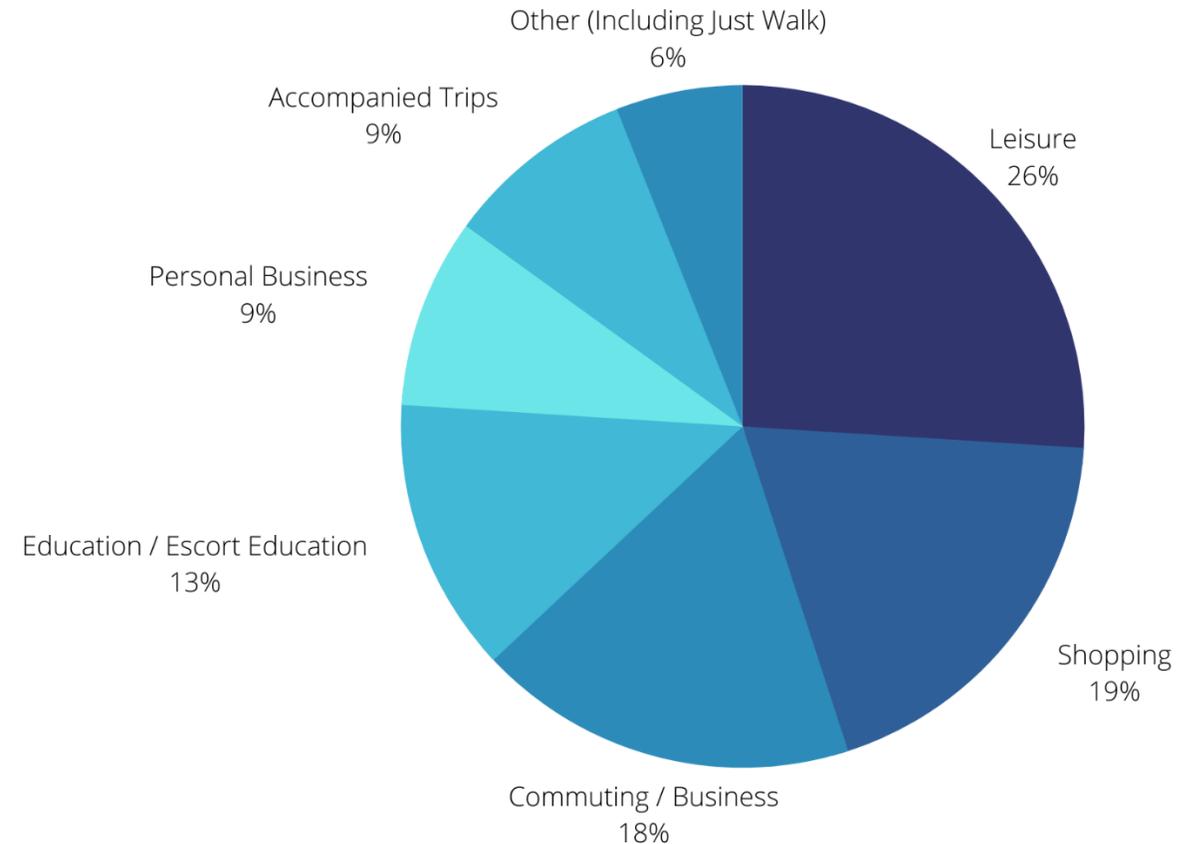

- to Oxford Parkway and Water Eaton Park and Ride and to existing or potential public transport services
- Protection and connection of existing public rights of way and a scheme for pedestrian and cycle access to the surrounding countryside
- Design principles which seek to deliver a connected and integrated urban extension to Oxford

PR6a Enquiry by Design – Workshop 2

Workshop 2: Connectivity and sustainable movement

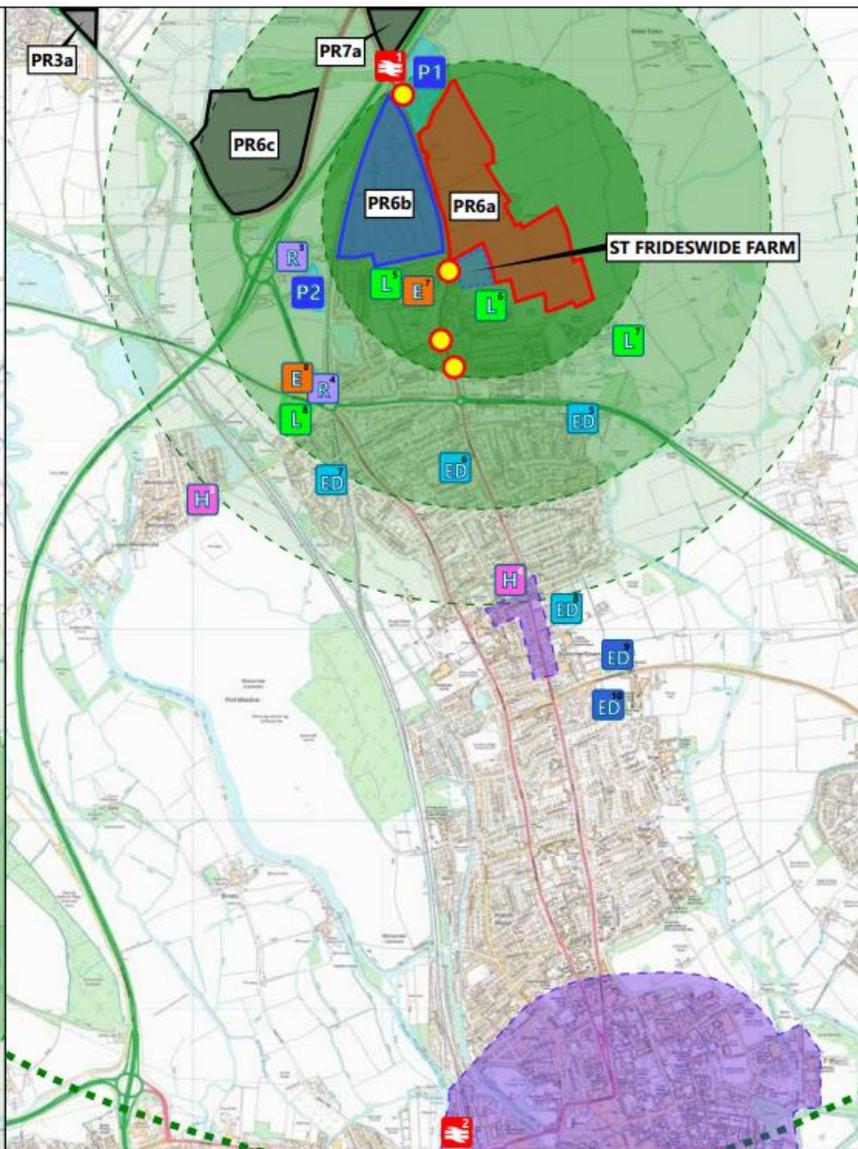

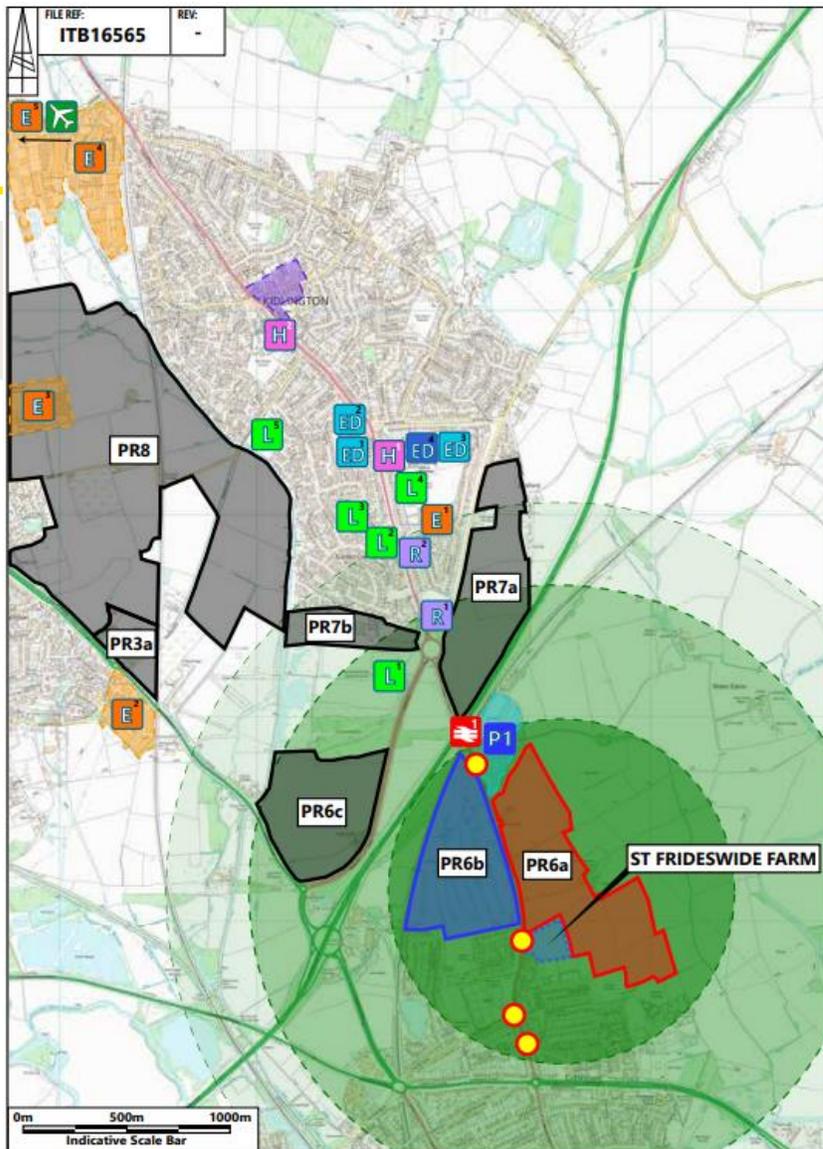

- Why do people travel?
- Where will people travel?
- How will people travel?
- How encourage sustainable travel?
- What are the key routes?
- Where are the barriers?
- What improvements are required?
- How do we incorporate transport innovation?

PR6a Enquiry by Design – Workshop 2

Workshop 2: Connectivity and sustainable movement

- On site uses (primary school, local centre, formal sport and play areas and public open space) mean that some journeys will be contained on site – known as internalisation of journeys making on site connectivity important
- Potential for increased working from home following lockdowns
- Off site destinations and connectivity equally as important
- The site is well located to take advantage of:
 - Local facilities in Cutteslowe, Summertown, Kidlington and Oxford
 - Schools within walking and cycling distance
 - Existing walking and cycling infrastructure
 - Public transport – Parkway Station, Park and Ride and bus lanes, local bus services
 - Convenient access to Strategic Road Network for necessary longer range journeys
